

## Scout Campsite BREXBACHTAL

The scout campsite **Brexbachtal** is located in a wonderful meadow-valley at the foothills of the Westerwald, near Bendorf-Sayn (Rhein), approx. 10 km north of Koblenz (Rhineland-Palatinate). Owner is the "**Fördererwerk St. Georg e.V.**", a non-profit-making organization.

The campsite stretches over 3km and comprises about 120 thousand square meters in total. It had been founded 50 years ago and ever since hosted small and big, as well as international scout camps. The site is divided in over 20 campgrounds of different size. Fourteen of the campgrounds have an additional refuge (**Schutzhütte**). An open chapel as part of a large 'thing'- and campfire-site offers the opportunity to celebrate the holy mass or other events together with all camp attendees.

Spread out over the campsite are 6 toilette buildings (WC) and a shower house with 14 showers, toilettes and wash basins. Furthermore, there are three different lodges, which are suitable for parties of 10 to 25 persons.

The fees for an overnight stay are 3,00 Euro /person and night (for scout groups) or 4,00 Euro for members of other youth organizations. This fee solely covers for maintenance and running costs, such as water, energy, warm water for the showers, garbage disposal etc.

Campgrounds with a refuge cost an additional 6,- Euro/night. Further, an additional fee applies when renting one of the three lodges. These houses are equipped with toilettes, showers, washbasins, a kitchen/cooking facility, refrigerator (natural gas), pots & cutlery. The rent fees are 20 Euro/night (**Paradieschen**) and 30 Euro/night for the **Baden-Powell-Haus** or the **Georgshaus**. For weekends (Friday noon to Sunday evening) special rates apply: 40 or 60 Euro for the **Paradieschen** or **Baden-Powell/Georgshaus**, respectively.

The Brexbachtal also houses a little kiosk, which sells various beverages, candy, T-shirts, scout-badges, post-cards etc. Camp attendees can receive mail, when addressed to: Your name/group name, c/o Pfadfinderlager Brexbachtal, Postfach 2107, 56165 Bendorf, Germany. A public phone is available on-site (near the **Kiosk**). The garbage disposal creates high costs and is cause for constant concerns: we kindly ask you to be conscience to reduce garbage and to sort for recycling. Detailed information is displayed on an info board near the **Kiosk**

The digging of holes and trenches is strictly prohibited, in order to avoid damaging of the underground service pipes. The use of motorized vehicles on the campsite property is generally prohibited. However, each group is allowed to have ONE car on-site (for emergencies and urgent matters). Upon arrival, you'll receive a permission card for your emergency vehicle. All other motor vehicles must be parked on the public car park at the entrance of the campsite.

Applications for tent camps must be send by mail. Please use the registration form, which can be found under [www.brex.de](http://www.brex.de) . You'll receive the confirmation by mail and we ask you to show this confirmation to the camp warden upon arrival. Our written confirmation is your right to use the campsite.

The on-site camp warden (**Lagerleitung**) can be reached by **phone: (+49) 2622-10304**.

We kindly ask you to fill the forms using a typewriter/PC or legible handwriting. We will not process unreadable registration forms.

All attendees and visitors are asked to behave with respect, in order to protect the beauty of the Brexbachtal and to allow future generations to enjoy its unique and wonderful nature.

With best regards and Gut Pfad
